Told Agony from Catarach

Prof. W. H. HAGENER, the famous chemist of Albany, N.Y., writes: "Since I first tried Dr. Sage's Catarach Remedy for myself, my family physician gave me up as incurable, and said I must die. My case was such a bad one that every day I was deteriorating, my voice dull, I lost my hearing. I could not stand above a whisper. I could hardly eat, and chafing and chafing of my throat would set me straining. By the use of Dr. Sage's Catarach Remedy, within three months I was a well man, and the cure has been permanent."

Constant Hawking and Spitting

THOMAS J. RUSHING, Esq., 222 Pine Street, St. Louis, Mo., writes: "I was a sufferer from constant hawking and spitting for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. I went to Dr. Sage to try Dr. Sage's Catarach Remedy. Dr. Sage is now a well man. I believe it to be the only safe remedy for catarrh now manufactured, and does not only to give a full trial to experience astounding results, and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent U.S. postage stamp.
